

Things To Know.

4.

Playing on the
Dodge ball court.

**Lots of people
play on the
Dodge ball
court at the
same time.**

**Only one
person per
trampoline.**

**The aim of the
game is to hit
another player
with the ball.**

I can throw the ball and try to hit them with it.

If you hit them then they are out. They must leave the court.

If they catch the ball you are out. You must leave the court.

Maybe I will be out! Thats okay! I can line up and try again.

I can aim the ball to hit the other players body. Try not to hit their head, this may hurt them.
